1. For SME unit having yearly turnover upto 500 lakhs, the Nayak Committee recommendation has been implemented by all the banks. Hence, we have worked out the funding requirement accordingly.
2. Sales of such trading units is majorly impacted by the selection of business location. The entrepreneur should examine all business aspects while selecting this location. Normally, Spectacle Store is established in a prevalent market area. Thus, we have assumed that the unit has been set up in a market area.
3. The shop premises of this unit is taken on lease. 250 sq . ft . is the proposed area which shall be spacious for stock display and stock-keeping.
4. Computation of Closing Stock is done on the basis of Working Capital cycle which is assumed to be of 1 months.
5. DSCR is high because of the term loan component is lesser than working capital requirement. We have not considered repayment for working capital and it is running on a continuous basis.
